

Resinol

certainly does heal eczema

In our file of reports, covering a period of twenty years, literally thousands of physicians tell how successful the Resinol treatment is for eczema and similar skin troubles. The first use of Resinol Ointment and Resinol Soap usually stops the itching and burning, and they soon clear away all trace of the eruption. No other treatment for the skin now before the public can show such a record of professional approval.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 37 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid liver.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No grilling is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.
